Sharp Signage Display

Sharp MultiSync® P756 LCD 75" Professional Large Format Display

Precision performance for critical applications.

- Secure remote management – control your devices remotely and securely using Sharp NaviSet Administrator 2; proactively manage maintenance requirements saving time and resources.
- Unhindered readability – no reflections from windows or other light sources means no disruption to the visibility of signage content or meeting room presentation.
- Safe for public environments – a metal back cover and intelligent heat management ensure safe use in public spaces where fire-retardancy is mandatory.
- Enhanced imaging performance – advanced settings of all relevant visual parameters allow full control of brightness, colour, gamma and uniformity via the SpectraView Engine for precise, natural images.
- Mission-critical 24/7 ready operation – the meticulous selection of industrial-grade components and careful design focused on demanding usage scenarios accompany an impressive and continuous viewer experience.
